

Green Vendor Guidelines & Form 2011

The Wangaratta Festival of Jazz is an environmentally friendly event. Our waste management plan requires vendors use recyclable packaging and to reduce packaging where possible. The Festival coordinates the collection and sorting of recyclable materials and discourages littering.

Being an environmentally friendly vendor is easy.

Your role begins by asking your suppliers for recyclable packaging. Please try to:

- Avoid polystyrene
- Use ceramic or cardboard cups for hot drinks and paper or recyclable plastic cups for cold.
- Use paper plates or bowls or reusable crockery instead of plastic disposable plates.
- Think about ways that you can reduce you're packaging eg: not offering lids for drinks; offering bulk condiments; not offering straws or plastic bags.

Where can you get recyclable packaging?
